This is the account Stelling
in which he got that is not
in the official offer

Jim,

They (L4M) gave me 6.00/cs on
Branded (full revenue) Product and 4.00/cs on
Generics up until 3/31/88. You had to
have bought a minimum (for me, it was 35cs.)
before you were entitled to get the extra
money.
